Any medical or other concerns related to physical activity? _____

We are asking about medical information for your child's safety and health. Although dancing is not considered dangerous, there is always the chance of an accident and we want to take every precaution possible.

You will need to read and sign a liability and Acknowledgement of risk waiver the first day of class.

I understand that I am signing up for dance program that runs September through May. Tuition is non refundable.

Parent/Guardian signature: _____ Dated: _____
